## **Chorus Friday Notes**

8<sup>th</sup> Grade - Disney paperwork and deposits are due November 1 at 11am. Please refer to the website for the paperwork and payment link.

7<sup>th</sup> Grade Carowinds paperwork and deposits are due December 1 at 11am. Please refer to the website for the paperwork and payment link. We still need quite a few more chaperones for this trip. Please email me if you would like to go with us.

Students will sign up for roommates the week after the deposit deadline passes. Please talk to your child about choosing appropriate roommates. Once rooms are set, there will be no changes. Students will be housed 4 per room. Please remind your child to talk to the people they want to room with before sign-up day to be sure they are all on the same page. Every year someone gets their feelings hurt because they didn't talk to the person they planned to room with then found out on sign up day that persons room was full. This can be avoided by students talking to each other about this before sign-up day.

Please make sure to visit [www.northwesternmsmusic.org](http://www.northwesternmsmusic.org) if you are looking for missing paperwork. Anything I send home is also posted on the chorus paperwork page.
