### 🌀 Solo and Ensemble Performance Evaluation Garden Concert 🌀

Congratulations to the students who participated in our Garden Concert to get ready for Solo and Ensemble Performance Evaluation! Thanks also to Dr. Bartlett for the beautiful environment, and all the parents who attended. Congratulations to all my students who participated in Solo and Ensemble Performance Evaluation this past Saturday- everyone did beautifully- great work!

## SEVENTH GRADE CAROWINDS TRIP

If your child is traveling this weekend, please make sure you join the parent Remind to see all the fun pictures/updates from the trip. Also, Remind may be the only way you will know exactly when to pick your child up at the end of the trip, so please watch for updates.

Text @carpara-l to 81010 OR @carparm-z to 81010 (that stands for **Carowinds Parent A-L or M-Z**)

## SAVE THE DATE- Spring Concert and Awards!

Reminder: The Orchestra Spring Concert and Awards night is **Thursday, May 18 at 7pm** in the NMS gym. This is a side by side concert, meaning all students are expected to stay for the duration of the performance, which will last just over one hour. All sixth and seventh grade students must arrive and be in place by 6:45 p.m. Eighth grade will rehearse with our percussionist promptly at 6:30 p.m. The gym will open at 6:45 for audience members.

These are my final orchestra notes at Northwestern 😊. I will send the spring concert video through Remind and announce the new director through Remind. It has been a joy to teach your children at Northwestern for seven years. Thank you for being so helpful and supportive of your child's music education. Best wishes!
