Chorus Friday Notes

Parents,

I hope you've had a great first 3 weeks of school and that your child feels successful. Chorus is off to a terrific start! I'm super excited to have 184 students participating this year! Now that we are all back in the groove of school, please make sure to watch for emails from me via Infinite Campus on Fridays with information about the coming week and beyond. I'll also post them on the website if you miss a week or need to find them quickly.

I truly believe that music can transform your child's Middle School experience. Numerous studies show that group singing lowers stress levels, calms the mind and nervous system and gives a feeling of connectedness. It gives kids a place to belong during a time in their lives where it's hard to find where they fit in. Thank you for trusting me to lead them through this exciting journey. We're going to have an amazing year!

Thanks to everyone who has already donated to MUSICON and signed up to help. There is still plenty of time. Donations are due next Friday, 9/1. Here's the link to sign up to help or donate items for the celebration. <https://forms.office.com/r/rfBZ3ErfFJ>
