## **Chorus Friday Notes**

Parents,

We've had a great week in Chorus! Thursday many of our 7<sup>th</sup> and 8<sup>th</sup> grade boys went to Tenor/Bass Chorus day where they rehearsed and performed 2 songs and had vocal workshops with a Barbershop Quartet and Dr. Patrick Freer from Georgia State University. They learned a lot about their voices and the transition they are currently experiencing.

Our first concert is now less than 2 weeks away. We are getting excited to perform for you. Please make sure your child has the appropriate uniform for the concert. You can order the polo and t-shirt on OSP. For this concert we will wear our polos with black slacks and completely black shoes. Students may not wear jeans, leggings or athletic pants.

Please make sure to visit [www.northwesternmsmusic.org](http://www.northwesternmsmusic.org) if you are looking for missing paperwork. Anything I send home is also posted on the chorus paperwork page.
