7th Grade Carowinds paperwork and deposits are due December 1 at 11am. Please refer to the website for the paperwork and payment link. We could use a few more chaperones for this trip for optimal group sizes. Please email me if you would like to go with us.

Students going to Carowinds will sign up for roommates on 12/4. Please talk to your child about choosing appropriate roommates. Once rooms are set, there will be no changes. Students will be housed 4 per room. Please remind your child to talk to the people they want to room with before sign-up day to be sure they are all on the same page. Every year someone gets their feelings hurt because they didn't talk to the people they planned to room with then found out on sign up day that persons room was full. This can be avoided by students talking to each other about this before sign-up day. Students who have their room set before 12/4 can sign up for their room early.

8th Graders should bring in their polo to exchange for a new one so we all have the same color. Due to supply issues when they were 6th graders Please do this by 12/6 at the latest.

On Friday, December 8 the chorus will perform at North Point Mall. Full information can be found on the chorus paperwork page of the music department website. It was also emailed home. Please let me know by Friday 12/1 if your child WILL NOT attend this trip.

8th Grade - Disney 2nd payment of \$330 is due December 13th at 11am. Please refer to the music department website for the paperwork and payment link. The total amount you should have paid by 12/13 is \$780.

Please make sure to visit www.northwesternmsmusic.org if you are looking for missing paperwork. Anything I send home is posted on the chorus paperwork page.
